SECURELY ENGAGE VOLUNTEERS AND ORGANIZATIONS VIA MOBILE DEVICES

Presenting a unified mobile solution to enable early and often volunteer engagement. Let organizations **focus on what matters most.**

-  Market and recruit volunteers efficiently
-  Empower volunteers, members, and staff
-  Optimize impact to benefactors and community
-  Increase engagement with detailed usage analytics
-  Low-cost implementation and hosting in the cloud or on-site

Organization Services

- ▶ Efficiently market causes - specific or recurring
- ▶ Efficiently identify where and how to reach volunteers

Volunteer Recruitment

- ▶ Expediently recruit or sign-up volunteers for events
- ▶ Seamlessly oversee volunteer staff and activities

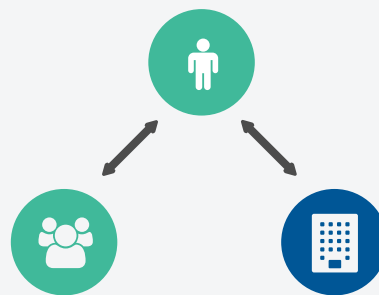

Communication and Collaboration

- ▶ Communicate event goals, expectations, roles, and tasks
- ▶ Instantly solicit/share ideas, needs, feedback, and changes

Impact Management

- ▶ Streamline cross-organization partnership activities
- ▶ Drive earlier and deeper member engagement

Optimize Volunteer, Member, Staff, and Non-Profit Access to Information and Services via Mobile App
